

BIRD TRAIL LOCATIONS

- O'Loughlin's Road** 4km east of Grenfell. Turn left off Mid Western Highway. The short lane has a canopy of Grey and Yellow Box and is habitat for Superb Parrots.
- Dodd's Lane** is 6km east of Grenfell. Turn right off the Mid Western Highway and return via Quandong Rd. Dodd's Lane consists mainly of Grey Box and Yellow Box. Superb Parrots have been sighted in this area.
- Pinnacle Road** 23km north west of Grenfell. Turn right off Mid Western Highway towards Forbes then turn left onto Pinnacle Road. Proceed through White box, Mugga Iron Bark and Black Cypress Pine. Birds observed include White-winged Chough and Grey-crowned Babbler.
- Major West Road** 28km east of Grenfell off Mid Western Highway. Turn left and travel 12km towards Conimbla National Park. Undulating high timber granite country covered with Iron bark, Scribbly Gum & Cypress Pine provides shelter for Brown Quail and Peregrine Falcon.
- Company Dam** north west of Grenfell via Bradley St and Newtown Rd. Turn right into Company Dam or continue on Newtown Rd. Signposted easy walking trails through Tumbledown Red Gum, Cypress Pine and gently undulating woodlands. The Leaden Flycatcher, Speckled Warbler and Diamond Firetail can be viewed.
- Sewage ponds** are 2km south west of Grenfell off the Holy Camp Rd. The wetland is habitat for Australian White Ibis, Black Swan and Australian Reed Warblers.
- Holy Camp Rd -Peregrine Lookout -Eualdrie Rd** the eastern end Weddin Mountains National Park. Take Holy Camp Rd from Grenfell for 12km. Mugga Iron Bark, Tumbledown Red Gum and Cypress Pine. Peregrine Falcon, Painted Buttonquail, Blue Bonnet and Hooded Robin are amongst the vast bird life in the park.
- Western Stock Route** is 10km west of Grenfell. Turn left off the Mid West Highway at the Forbes intersection onto the Stock Route and proceed 20 km. Roadside canopy consists of Grey, White and Yellow Box and Cypress Wattles. The Stock Route meets Bimbi Rd at 'Dicks Bridge'. A lagoon on Emu Creek is just north of 'Dicks Bridge'. Sighting of the Freckled Duck, Black Swan, Great Cormorant, Yellow-billed Spoonbill, Australian Hobby, Black-winged Stilt, Red-kneed Dotterel, Black-tailed Native-hen and can be expected.
- Weddin State Forest** 20km south west of Grenfell on Mary Gilmour Way. The forest is Cypress Pine open woodland, habitat for Little Eagles, Australian King-parrot, Blue Bonnet, Hooded Robin, White-browed Woodswallow, Turquoise Parrot, Eastern Yellow Robin and the Speckled Warbler.
- Bimbi State Forest** is 28km west of Grenfell via Back Piney Range Rd. It consists of Cypress Pine, Grey Box and Scribbly Gum and is part of the Weddin Mountains

BIRD TRAIL LOCATIONS

- National Park. There are four sign posted tourist walks from basecamp to Ben Hall's Cave and Seaton's Farm. Spotted Harrier, Little Eagle, Black-eared Cuckoo, Hooded Robin and Crimson Chat have been sighted in this area.
- Adelargo Valley** turn off is 3km east of Grenfell on the Mid Western Highway. Return via Gooloogong Rd. The valley is heavily canopied bush land and farming land consisting mainly of Ironbark, Cypress Pine, Wattle and Tumbledown Red Gum. Birds which can be viewed include the Superb Parrot and the Speckled Warbler.
- Warraderry Forest** is 22km north of Grenfell via Gooloogong Rd and the New Forbes Rd. Consisting mainly of Cypress Pine and Iron Bark on red loam forest country; habitat for Little Corella, Dollarbird and Black-eared Cuckoo.
- Bimbi** is 33km south west of Grenfell on the Mary Gilmour Way. Bimbi provides habitat to Yellow-throated miner and the Red-rumped parrot.

Bird Trails of the Weddin Shire

The Weddin Shire (Grenfell) is unique for bird life in that a considerable proportion of the district is timbered, forest-woodland. The Bird Trails have been depicted on the map (overleaf). The locations are ideal for bird discovery in their natural habitat.
